What is Listening?

To listen is to give attention to sound or action. When listening, one is hearing what others are saying, and trying to understand what it means.

The act of listening involves:-
complex affective, cognitive and behavioral processes.

Lets Understand Listening with a Small Example

1. Biased Listening (Partial)
2. Sympathetic Listening (Close friends, family etc.)
3. Empathetic/Therapeutic Listening
4. Critical Listening (Business meetings)(all points)
5. Informational Listening (To gain new information and knowledge)
6. Appreciative Listening (movies, drama, web series etc.)
7. Selective Listening (Sometimes dangerous)
8. Passive/Reflective Listening (No absorption of message)
9. Active Listening
